Large Numbers of Actors Out of Various Opinions as to Pritchard Employment.

The Hialto is througed these May afternoons by members of the theatrical profession. The number of unemployed actors in the city is almost unprecedented for this time of year. To read-companies came in on one Fall River boat one morning recently. It has not been a good season for travelling troupes, and many good players are a good season for travelling troupes, and many good players are a good season for travelling troupes, and many good players are a good season for travelling troupes, and many good players are a good season for travelling troupes, and many good players are a good season for travelling troupes.

\*\*Court. Lecause their demand for \$2.75 per day for monopoles controlled by her day has been one season for the down and for the season for travelling troupes.

\*\*The union beloves of Astonia L. L. are on strike, they demand that the lowest wages for being the demand that the lowest wages for being the strike for a good season for travelling troupes.

\*\*The union beloves of Astonia L. L. are on strike, they demand that the lowest wages for being the strike for a good season for travelling the season for travelling troupes, and many good players are an on the fall king and the form and for \$2.75 per day for the season for the form and for \$2.75 per day for the season for the form and for \$2.75 per day for the season for the season for travelling to the season for travelling troupes, and many good players are an interpolated to a fact the season for the season for travelling troupes.

much attention. The reports reached Miss "I do not believe that Pritchard will come their wages had been resucced to 25 per hosty cab ride up to the club theatre Saturday evening to see her budding rival, after England. Parson Davies seems to have the which she hurried back to Hoyt's in time to turn on that match anyhow. He will be in and reports good business and bright proposed. "do her turn." Miss Lambert has been in- England within ten days, and it pre-vited by the management and will dance the Pritchard is willing to make a match. The

Charles H. Hoyt, the maker of farce-comedes, is back in New York. He will remain until Saturday, when he goes to his farm near Charlestown, Mass., to spend the Summer, returning here next October to supervise the production of "A Temperance Town" at the Madison Square Theatre.

Manager Sanderson has prepared a strong bill for next week's show at Tony Pastors. One of the novelties will be Charles J. Ross and Mabel Fenton in a melodramatic sketch culled from Dickens's "Oliver Twist." Lydin

"Simply phenomenal" is the delighted exclamation of the siways enthusiastic manager, speaking of the gross earnings of the beginning of the gross earnings of the beginning of the gross earnings of the beginning of the principal cities, which closed in Boston saturday night. After a short season at the broadway Theatre, beginning next Monday night, the merry comedian will sail for European and the New York University an

Thomas Q. Scabrooke thinks he is in luck. The third Wine throwers Association, of California, it is announced, will erect a theatre for him in chears, where "The late of Champache" will run during the World's Fair. The structure will be in the form of a grantic wine bettle, built entirely of glass and steel. The neck of the bottle and the crix will form a tail tower, the main portion of the bottle being ten stories in height. It is contemplated to use the front part of the building during the Fair as a hotel.

Eddie Loeber and Kitt logan are to meet at 110 pounds in Sturrebound of the bottle at the stories of the late of the star as a lottle.

"Pass the perfesh?" was the query put to Manager Purdy at the door of the Bijou the Occasionally, when known," was the reply. "What line?" "Ceasionally, when known," was the reply. "What line?" "Reading the perfesh of the operator in a fold of tissue on the neck of the operator, the extersion of the layer of epidermis fully a dozen inches from the face, and then it was allowed to snap suddenly back with a revolver-like report. The elastic-skinned incept of the profession was admitted to the performance of "A Jolly Surprise."

Charles H. Hoyt, the maker of face.

In training for track events this season. President Burrell says that the club menters are doing more athlette work now than in past years. There are several men who promise well as sprinters. Among them are Rinn, Denovan and Kennedy. The Club expects to have its colors flying at every ath-letic meeting of importance this season.

The next amateur field meeting of importance to be held in this vicinity will be the inter-collegiate games at Manhattan neld, May 28. The college at hieres are working hard to put strong teams in competition on this, day, Princeton, Yale and Harvard expect to be well represented this year. The college of the City of New York, Columbia and the New York University will enter several crack at the expectations.
